

Charter • Charter SE

BUMPER PULL

The all new Charter Bumper Pull is a 2 horse straight load trailer that is also available in a Charter SE which has a large front tack room. Both trailers come standard with two large sliding windows in the horse area, a divider between the stalls, a side access door per stall and are 7' 6" tall. The Charter SE has two saddle racks in the tack room along with two large windows in the nose, a window in the tack door, and it also has windows in the rear tail curtains. Both trailers are built with the same quality and standards that are expected from a Sundowner and carry a 3 year hitch to bumper and 8 year structural warranty.
