DEFINITIONS

My Kubota Warranty

Warranty coverage on your Kubota Product starts upon delivery of the Product and is transferable to new owners. Kubota will replace or repair, free of charge and including labor, any component that fails under normal use. And only authorized Kubota Canada Ltd. Dealers can perform warranty repairs.

Basic Warranty

Provides coverage of all components in your new Kubota Product for the number of months or operating hours, which ever is first, specified in the Equipment Information Table. With the exception of Tires, tubes, rims, batteries, cabin radio/cassette/CD.

Extended Powertrain Warranty

Provides additional mechanical protection of major powertrain components for the number of months or operating hours, which ever is first, specified in the Equipment Information Table. Warranty coverage starts upon expiration of Kubota's Basic warranty, and it's only available on certain Kubota models. This warranty is offered to you free of charge.

Powertrain Protection Plan

Offers additional mechanical protection of major powertrain components at a reasonable price. This warranty is valid for the number of months or operating hours, which ever is first, specified in the Equipment Information Table. Coverage starts upon expiration of Kubota's Basic warranty, or Extended Powertrain warranty, which ever is longer and it's only available on certain Kubota models.

List of components covered by the **Agricultural Extended Powertrain and the Powertrain Protection Plan Warranty:**

Engine:

Cylinder Head, Front Gear Case, Crankcase, Oil Pan, and all parts enclosed inside these units with the exception of seals and gasket failures.

Driveline:

Clutch housing, transmission and differential case, front axle case and all parts inside them. Except maintenance items like: clutch disc, pressure plate, release bearings, oil seals and gaskets, brakes and parking brake lining.

Extended Engine Warranty

Provides additional mechanical protection of major engine components for the number of months or operating hours, which ever is first, specified in the Equipment Information Table. Warranty coverage starts upon expiration of Kubota's Basic warranty, and it's only available on certain Kubota models. This warranty is offered to you free of charge.

List of components covered by the **Construction Extended Engine, Extended Powertrain and Powertrain Protection Plan Warranty** where applicable:

Engine:

Cylinder Head, Front Gear Case, Crankcase, Oil Pan, and all parts enclosed inside these units with the exception of seals and gasket failures.

Driveline:

Hydraulic pumps, Hydrostatic travel motors, Planetary reduction drives and all parts enclosed in these units. Except maintenance items such as senders, sensors and valves connected to the pumps and travel motors. Idlers, rollers, drive sprockets, tracks, oil seals and gaskets, brakes and parking brake lining.

Residential Application

Is defined as using the equipment solely for personal household or farm use. All other applications are considered commercial.

Emissions Control System Warranty

Warranty statements required by law covering engine emission related parts and components are found with the operator's manual delivered with the machine. You can also visit or call you local Kubota dealer for additional information.

APPLICATION

Kubota Canada Ltd. Commitment

Kubota Canada Ltd. commits to repair or replace any part that is defective, malfunctions or otherwise fails under normal use and inside the equipment's warranty terms. This repair will be free of charge for parts and/or KCL flat rate labour.

What You Must Do To Obtain Warranty

In order to obtain warranty repair, you must deliver the equipment, together with proof of purchase, to an Authorized Kubota Dealer in Canada. Information about KCL authorized dealers is available in our public website www.Kubota.ca or by calling our head office at 905 294-7477.

What You Must Do To Maintain Warranty

1. Operate the equipment as described in the operator's manual delivered with the machine.
2. Maintain the equipment using Kubota genuine parts (filters, belts etc.) as described in the operator's manual delivered with the machine.
3. Use Kubota approved transmission and hydraulic oil as specified in the operators manual
4. Use Kubota approved excavator hydraulic oil for the hydraulic system of the excavators.
5. Use Kubota approved premium engine oil.

What This Warranty Does Not Cover

1. Used products.
2. Depreciation, damage, malfunction caused by normal wear, lack of reasonable and proper maintenance, improper servicing, failure to follow operating instructions, misuse, lack of proper protection during storage
3. Depreciation or damage caused by accident.
4. Equipment that has been altered or modified in ways not approved by Kubota, including, but not limited to, setting injection fuel delivery pump higher or lower than Kubota specification.
5. Failure to use the proper fuel, lubricants or other maintenance items as described in the operator's manual.
6. Addition or replacement of chemical weight materials.
7. Normal maintenance services such as: adjustments, tune-ups, fuel system cleaning etc.
8. Tires, tubes, rims, batteries, cabin radio/cassette/CD. These may be covered by the manufacturer's warranty or separate warranty.
9. Transportation and service call charges.
10. Damage resulting from a natural calamity beyond human control such as: fire, flood, etc.

11. A repair or parts changed by other than Authorized Kubota Dealers.
12. Replacement of normal maintenance items such as: light bulbs, pre- heater elements, filter element, injector nozzle assembly, clutch disc/pressure plate/release bearings, brakes/parking brakes lining, oil and lubricants, coolants, belts, drive chains, rubber, resin, broken glass, cutting blades, bucket cutting edge and teeth, etc.
13. Damage resulting from the use of unapproved implements and accessories.
14. Labor for Hydraulic Breaker repairs.

This Is the Only Expressed Warranty

Kubota Canada Ltd. does not authorize any other party, including Kubota dealers, to make any representation or promise on behalf of Kubota Canada Ltd. to modify the terms, conditions, or limitations of this warranty in any way.

Limited Liability

Kubota Canada Ltd. liability is limited to repair or replace defective parts as indicated in this document. Kubota will not be responsible for any other expenses, losses, or inconvenience that you may sustain as a result of the purchase, use, malfunction or defective condition of our products.

Our responsibility for any and all losses and damages resulting from any cause whatsoever, including our negligence, alleged damage or defective goods, whether such defects are discoverable or latent, shall be limited to the repair or replacement of defective parts as stated above. In no event will Kubota be liable for loss of use, loss of profits, loss of, or damage to crops, inconvenience, commercial loss, or other incidental or consequential damages whatsoever. Some provinces do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so as the above limitations or exclusions may not apply to you. Many units qualify for purchasable extended protection. Your Kubota Dealer can provide you with details.

The warranty time does not stop on traded in products.

RIGHT TO MAKE DESIGN CHANGES

Kubota reserves the right to make changes in the design and other changes in its products at any time and from time to time without notice and without incurring any obligation with respect to any product previously ordered from Kubota, sold or shipped by Kubota.
